

About this form

- With this form you can submit a noncommittal proposition for a project or plan to the Netherlands Enterprise Agency (RVO.nl).
- Please be brief. The more concrete you fill out the Quick Scan, the better we can evaluate your proposition.
- RVO.nl will assess together with you whether your idea is compatible with the goals of the DGGF.
- Please send the form and any attachments to RVO.nl: klantcontact@rvo.nl.
- One of the advisors will contact as soon as possible. You will be advised on the further elaboration of your proposition, and whether it would be fruitful to turn the proposition into an application.
- Your proposition will be handled with strict confidentiality.
- Please read the information on <http://english.dggf.nl/>
- Please notice that this is a dynamic PDF form which contains interactive functions. When selecting options and answering questions in the form, additional questions may appear. Please do fill out the form on your computer before printing or sending it.

Quick Scan Dutch Good Growth Fund

DGGF part Investing Dutch SME's

With the DGGF, companies located in the Netherlands can receive financial support for foreign investments in one of the DGGF countries. A strong business case, local impact and attention for international corporate social responsibility are key characteristics of plans that qualify for the DGGF.
