Notice of RVO approved transaction DGGF1 20171110 – cultivation of amaryllis bulbs in Peru

Date of publication: 27 November 2017

Description (English)

The Dutch company has recently started the cultivation of amaryllis flower bulbs in order to meet the growing demand. In order to expand the business, investments are needed.

DGGF intends to support this investment by providing a loan. The project contributes to direct and indirect employment (12 FTEs employed and 100 seasonal workers). Because the cultivation of Amaryllis is new in the area to be produced, there is a lot of attention to knowledge transfer.
