DGGF's Seed Capital and Business Development (SC&BD) facility is supporting Mzuzu E-Hub by providing mentoring support to strengthen their service offering and business model towards more robust operations.

Mzuzu E-Hub is an entrepreneurship and innovation hub providing shared working space and technical assistance to start-up and early-stage enterprises operating in Mzuzu, the capital of Malawi's Northern region.

E-Hub's team – established in 2017 - has been able to assist 40+ young local entrepreneurs in formalizing and growing small businesses that create jobs.

DGGF's SC&BD will provide mentoring to streamline and strengthen their operations towards a refined business model that will reinforce the organization. Mentoring support will provide the team with the resources to refine the business model in adequation with the local operating context.
