DGGF's Seed Capital Business Development (SC&BD) facility is supporting Toogueda by providing mentoring support to strengthen the impact of their assistance to supported businesses.

Toogueda is an initiative dedicated to supporting the growth of local businesses in Conakry and Guinea.

Toogueda's young entrepreneurial team – established in 2018 - has been able to build a relevant track record to date: Hosted a total of 45 enterprises, as well as accompany 20+ companies and several hundred young entrepreneurs.

Mentoring support will focus on streamlining and strengthening the service offering while refining a business model in adequation. The team should hence acquire the knowledge, capabilities and resources to enhance their value proposition and service offering to grow more sustainable local businesses.
