

Dutch Good Growth Fund

Notice proposed transaction DGGF113803220210701

Delivery of isolated climate units including a climate control system to a private buyer in Kenya

Date of Publication: 1 July 2021

Taking into account the provisions for governing bodies that apply under the 'Freedom of Information Act' ('Wet openbaarheid van bestuur') and the 'Data Protection Act' ('Wet bescherming persoonsgegevens'), the Fund manager of the DGGF part 'Export Credit Insurance of an export transaction by a Dutch exporter' will publish its anticipated transactions.

Views

Parties can express their views on the proposed transaction to the Fund manager by contacting mandy.van.leeuwen@atradius.com within 30 days after the publication date of the notice. After the transaction has been closed, or after it has become clear that the transaction will not take place, the Fund manager will respond as soon as possible to these parties concluding on their expressed views regarding the transaction.

Description (English)

Part of DGGF

Export credit insurance of an export transaction from a Dutch exporter. This transaction includes the discounting of bills of exchange.

Description

The transaction concerns the delivery of isolated units including climate control for insect housing to a private buyer in Kenya. Through these units filled with insects, 12,000 to organic waste per year will be converted into valuable products such as animal feed, organic fertilizer and biomass briquettes.

Country of investment

Kenya

Risk category

This export transaction is categorized as risk category E.
