Description

Part of DGGF

Investing Dutch Entrepreneurs

Description

A Dutch company plans to invest in the expansion of their activities on sustainable mobility, together with their local daughter.

They will invest in hardware and operational costs. The proposed DGGF Starter loan to the Dutch company has a duration of less than eight years.

The estimated impact on local employment is the creation of app. 51 local jobs and knowledge transfer by training their employees.

This project will contribute to the Sustainable Development Goals: 5 (Gender Equality) 11 (Sustainable cities & Communities), 13 (Climate Action)

Country of investment

Libanon

Risk category

The investment is scaled category B in terms of CSR-risk.

A CSR (Corporate Social Responsibility) action plan will be drafted, which is based upon the OECD and IFC performance standards. The action plan aims to mitigate the risk on environmental aspects, working conditions and development aspects for the local community.
