Salkantay Exponential Fund (Salkantay) is a 10-year closed-end early-stage investment fund of Salkantay Ventures, targeting start-ups across the Pacific Alliance trade bloc, with a focus on Peru and Colombia. The objective of the fund is to invest in about 20 start-ups (of which 30% are expected to be founded by women) focused on providing solutions to improving the quality of life in areas such as education and health.

Impact

Salkantay will provide capital to seed-stage entrepreneurs who are developing effective solutions to major regional issues, relying on growing digital connectivity and technological advances to scale and generate substantial youth employment. Through backing Salkantay, DGGF is supporting to lay the foundation for interest from additional investors in venture capital in Peru, Colombia, and the wider region.

Total investment

DGGF will provide a loan to Salkantay of EUR 3 million. With this investment DGGF is contributing to a total expected fund size of approximately USD 20-25 million.

Sectors

Education, health, finance (economic inclusion), sustainability
