Description

Part of DGGF
Investing Dutch Entrepreneurs

Description
A Dutch company, specialized in developing solar power energy, is planning to construct a Solar
Park in Mali. The sought investment under DGGF will support the company to partially fund this
project.
The investment will contribute to the creation of additional employment for up to 60 people
locally as well as for significant reduction of the fossil fuels and CO_2 in the location.

The project will contribute to the Sustainable Development Goals:
8 (Decent work and economic growth), 7 (Clean energy)
and 13 (Climate Action).

Country of investment

Mali

Risk category

The investment is scaled in category B in terms of CSR-risk.

An Environmental and Social Action Plan (ESAP) will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.

[Evt. Toelichting, zoals "Furthermore will this CSR action plan contain the safety improvement for the security personnel during cash transport."]
