

Dutch Good Growth Fund

Part of DGGF

Export credit insurance of an export transaction from a Dutch exporter.

Title

DGGF1162582 Delivery of Hatchery Equipment in Sudan

Exporter

Pas Reform B.V., Zeddum

Country of investment

Sudan

Sector

Poultry sector

Contract amount

Maximum indemnification: EUR 978,402.-

Period

Manufacturing period: 12 months

Credit period: 36 months

Parties involved

Debtor: Arab Poultry Breeders Co. Ltd, Khartoum, Sudan

Impact on development

Job creation

The investment is expected to result in 40 additional jobs at the debtor. About 80% of this will be for women.

The investment will also create approximately 100 additional jobs at the poultry farmers who will purchase the chicks from the debtor. Of this, an estimated 80% is for women.

Increasing the strength of production

The investment is expected to result in a 15% growth in sales and profits.

Sharing of knowledge, skills and techniques

Pas Reform will train the staff in how to use the equipment.

Other positive effects

Poultry farming is dominated by women. As a result, relatively many jobs will be created for women. The transaction will also contribute to food security.

DGGF1162582 Delivery of Hatchery Equipment in Sudan

Risk category

Based on the foregoing, the environmental and social risk associated with the present transaction is assessed as acceptable.

Description

Pas Reform BV will conclude a sales contract with debtor Arab Poultry Breeders Ltd. “Ommat” (hereinafter referred to as “Ommat”) from Khartoum (Sudan) for the delivery of 24 egg incubators (of which 12 forebrothers and 12 hatchers) including the supervision of their installation. Ommat is an existing customer of Pas Reform. The order is part of an investment plan to double the hatchery's capacity.

The manufacturing period is 10 months. The legal delivery will take place through the issue of a takeover protocol by the debtor.
