Supporting Growth in SADC's Consumer Sectors

Salt Equity I (SEI) is a 10-year closed-end investment fund. The fund will typically invest in owner operated companies in the Southern Africa Development Countries (SADC) region with a focus on consumer-facing sectors. Their strategy is underpinned by an impact thesis premised on four key UN Sustainable Development Goals (“SDGs”).

SEI will endeavor to achieve specific development goals by targeting opportunities that contribute to the following UN SDGs: i) No Poverty ii) Zero Hunger iii) Gender Equality, and iv) Decent Work and Economic Growth.

Investment

DGGF commits a loan of USD 10 million.

Sector

Consumer facing sectors, notably the food/beverage industry.
