Saviu Ventures II

Francophone and anglophone Africa

Stimulating revenue growth in tech SMEs in Francophone Africa

Saviu II is a Venture Capital firm in its majority operating in Francophone Africa that invests in SMEs through equity and quasi equity instruments. The fund is sector agnostic, focusing on tech and tech enabled B2B/B2B2C, with an emphasis on asset-light business models.

Saviu II is expected to perform well on their economic impact in Francophone Africa, particularly in revenue growth and knowledge transfer to the portfolio companies.

Investment

DGGF commits a loan of USD 8 million.

Sector

Sector agnostic, with a focus on technology
