Description (English)

Part of DGGF

Investing Dutch SME's

Description

A Dutch company intends to set up a production facility in Vietnam that will produce organic coconut oil. DGGF intends to provide this company with a guarantee on the financing of a Dutch bank, so that they can realize these plans. With this investment, 150 jobs will be created locally at the production facility. In addition, 15 million coconuts will be sourced annually from 1600 local farmers.

Country of investment

Vietnam

Risk category

It is a category B investment. A CSR action plan will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
