## Description

### Part of DGGF

Investing Dutch Entrepreneurs

### Description

A Dutch company plans to invest in the development of a larvae production facility, together with their local daughter.

They will invest in machinery and tools, operational costs, transport and inventory. The proposed DGGF Starter loan to the Dutch company has a duration of less than six years.

The estimated impact on local employment is the creation of app. 60 local jobs and knowledge transfer by training their employees.

This project will contribute to the Sustainable Development Goals: 1 (No poverty), 8 (Decent Work) 9 (Industry, Innovation and Infrastructure) and 12 (Responsible Production and Consumption)

### Country of investment

Uganda

### Risk category

The investment is scaled category B in terms of CSR-risk.

A CSR (Corporate Social Responsibility) action plan will be drafted, which is based upon the OECD and IFC performance standards. The action plan aims to mitigate the risk on environmental aspects, working conditions and development aspects for the local community.
