## Description (English)

### Part of DGGF

Investing Dutch Entrepreneurs

### Description

A Dutch company is going to start a tourist lodge in Tanzania. The investment mainly concerns capital expenditure, a small part concerns working capital. The proposed DGGF Starter financing to the Dutch company is in the form of a loan with a term of less than 5 years.

The expected impact concerns local employment to approximately 30 people. The project is in line with the efforts of the authorities in Tanzania to increase the contribution of tourism to the national economy.

The project will contribute to Sustainable Development Goal 8 (Decent work and economic growth).

### Country of investment

Tanzania

### Risk category

This is a category B+ investment.

A CSR action plan will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
