## Description

### Part of DGGF

Investing Dutch Entrepreneurs

### Description

A Dutch company plans to invest in the sourcing, processing and importing of cashews, together with their local partner.

The proposed DGGF Starter loan is a trade finance to the Dutch company and has a duration of less than six years.

The estimated impact on local employment is the support of 450 smallholder farmers and knowledge transfer by training. Also approx. 200-300 indirect jobs will be created at the processing facility.

This project will contribute to the Sustainable Development Goals: 1 (No poverty), 8 (Decent Work) 9 (Industry, Innovation and Infrastructure) and 12 (Responsible Production and Consumption)

### Country of investment

Tanzania

### Risk category

The investment is scaled category B in terms of CSR-risk.

A CSR (Corporate Social Responsibility) action plan will be drafted, which is based upon the OECD and IFC performance standards. The action plan aims to mitigate the risk on environmental aspects, working conditions and development aspects for the local community.
