Description

Part of DGGF

Investing Dutch Entrepreneurs

Description

A Dutch company plans to invest in the development of a drying facility, together with their local partner.

They will invest in machinery and operational costs. The proposed DGGF Starter loan to the Dutch company has a duration of less than six years.

The estimated impact on local employment is the creation of app. 75 local jobs and knowledge transfer by training their employees.

This project will contribute to the Sustainable Development Goals: 1 (No poverty), 2. (No Hunger) and 8 (Decent Work)

Country of investment

Kenia

Risk category

The investment is scaled category B in terms of CSR-risk.

A CSR (Corporate Social Responsibility) action plan will be drafted, which is based upon the OECD and IFC performance standards. The action plan aims to mitigate the risk on environmental aspects, working conditions and development aspects for the local community.
