

# Dutch Good Growth Fund

**Notice on RVO approved transaction DGGF1 20180416 / Tanzania -  
Seed multiplication in Tanzania for Dutch seed companies  
Date of publication: 16 april 2018**

## **Description (English)**

With a loan from DGGF and a co-financing from the investors, the entrepreneurs will set up a company in Tanzania to produce seeds for, among other things, tomatoes, cucumbers and onions.

The business will create structural employment for around 20 permanent employees, and 20 seasonal workers.

All employees will receive extensive training to perform the tasks within the company.

## **Part of DGGF**

Investing Dutch SME's

## **Country of investment**

Tanzania

## **Risk category**

This is a category A investment. A CSR action plan will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
